

Bitches with Wolves

NO DANGER

Turn me up a little louder
I got something to say
About you and I baby
We be liking one another
Not the kind to sit and wait
I do not procrastinate

BRIDGE

I know we don't really know each other
Tailspun, baby you should be my lover
Let me get you underneath the covers
Listen to me when I say
Listen to me when I say

CHORUS

Love gun
I won't run
Fire away
Aim you ammo at me

I want it
I need it
I'm gonna love you for eternity

All night we're gonna toss and turn
But there's no danger
There's no danger, danger

Damn right we're gonna have some fun,
But there's no danger
There's no danger, danger

VERSE 2

Listen to me when I say

Inside me there's a fire
And it burns bright
Really got an appetite
And it feeds on my desire
Gotta have you tonight
Oh you twist my heart tight

Hands up, we don't really know each other
But you've got me trippin' like a mothafucka
You'll find I'm not like those otha brothas
Listen to me when I say

CHORUS

NÍL AON DAINSEÁR

Cas in airde giota beag mé
Rud éicint 'am le rá
Fút(sa) 's fúmsa a ghrá
Croí taitnimh againn dá chéile
Ní fhanfaidh mé thart gan fáth
Gan bheith (ag) machnamh faoi gach lá

Tá a 's 'am, nílimid go mór le chéile
Bunoscionn, ba chóir duit bheith liom más féidir
Gabh i leith faoi na clúdaigh seo a chréatúir
Éist liom nuair atáim a(g) rá
Éist liom nuair atáim a(g) rá

Arm grá
Táim go breá
Lean ort féin
Scaoil d'urchar-sa (i) mo threo

Ba bhreá liom
Is gá dom
(Beidh) grá 'am duit go deo 's go deo

Beimid thuas an oíche go léir
Ach níl aon dainséar
Níl aon dainséar, dainséar

Anois beidh muid ag spraoi faoin aer
Ach níl aon dainséar
Níl aon dainséar, dainséar

Éist liom nuair atáim a(g) rá

Is ionam 'tá an tine
Lasann (sé) go fras
Aige atá an lón crais
Spreagann (sé) anois an cinneadh
Caithfidh tú bheith liom anocht
Gafa i mo chroí, docht

Seo muid, nílimid go mór le chéile
Ach táim ar bís agat 'nois i lár na féile
Níl mé féin 's na leids eile mar a chéile
Éist liom nuair atáim (ag) rá

Love gun
I won't run
Fire away
Aim you ammo at me

I want it
I need it
I'm gonna love you for eternity

All night we're gonna toss and turn
But there's no danger
There's no danger, danger
Damn right we're gonna have some fun,
But there's no danger
There's no danger, danger

VERSE 3

Under thunder skies
Stay with me tonight
Desire's in your eyes
But didn't I tell you
That come whatever
You'll be in no danger

Listen to me when I say x3

CHORUS

Love gun
I won't run
Fire away
Aim your ammo at me

I want it
I need it
I'm gonna love you for eternity

Love gun
I won't run
Fire away
Aim you ammo at me
I want it
I need it
I'm gonna love you for eternity

All night we're gonna toss and turn
But there's no danger
There's no danger, danger

Damn right we're gonna have some fun,
But there's no danger
There's no danger, danger

Arm grá
Táim go breá
Lean ort féin
Scaoil d'urchar-sa (i) mo threo

Ba bhreá liom
Is ghá dom
(Beidh) grá 'am duit go deo 's go deo

Beimid thuas an oíche seo go léir
Ach níl aon dainséar
Níl aon dainséar, dainséar
Anois beidh muid ag spraoi faoin aer
Ach níl aon dainséar
Níl aon dainséar, dainséar

Toirneach ins an spéir
Rithfidh muidne saor
Tá'n dúil 'nois san aer
Ach níor inis mé duit
S'cuma a thag-ann
Ní bheidh aon dainséar

Éist liom nuair atáim (ag) rá x 3

Arm grá
Táim go breá
Lean ort féin
Scaoil d'urchar-sa (i) mo threo

Ba bhreá liom
Is ghá dom
(Beidh) grá 'am duit go deo, go deo arís

Arm grá
Táim go breá
Lean ort féin
Scaoil d'urchar-sa (i) mo threo
Ba bhreá liom
Is ghá dom
(Beidh) grá 'am duit go deo, go deo arís

Beimid thuas an oíche go léir
Ach níl aon dainséar
Níl aon dainséar, dainséar

Anois beidh muid ag spraoi faoin aer
Ach níl aon dainséar
Níl aon dainséar, dainséar
