

ROBB MURPHY

WHAT DO I SAY?

For a long time now,
I've been hiding out
Took a break from myself,
now I'm creeping out

For a long time now,
I've been shaping sound
Took a break from it all,
now I'm freaking out

(What do I say?)

When a moment comes
I'll enjoy it while it lasts
And if I loose my grip
I'll recall the times with you in my mind

You take a shy shy shy feeling,
a shy shy shy feeling and throw it away
I wanna take this shy shy shy feeling,
shy shy shy feeling and throw it away

What do I say?
What do I say?

When a moment comes
I'll enjoy it while it lasts
And if I loose my grip
I'll recall the times with you in my mind

You save my life, you

CAD A DEIR MÉ?

Le fad' an lá
Is mé i bhfol-ach
Ghlac (mé) sos uaim féin
Anois táim ag téaltú 'mach

Le fad' an lá
(Ag) cuir cruth ar fhuaim breá
Ghlac mé sos ón saol
'S tá sé á mo chrá

Cad (a) deir mé?

Nuair a thag(ann) an t-am
Taitneoidh sé liom
Agus má bhogaim den saol
Cuimhneoidh mé ar an am

Caitheann (tú) uait, uait, uait an chúthail',
uait, uait, uait an chúthail', caith uait é
Caithim uaim, uaim, uaim an chúthail',
uaim, uaim, uaim an chúthail', caith uaim é

Cad (a) deir mé?
Cad (a) deir mé?

Nuair a thag(ann) an t-am
Taitneoidh sé liom
Agus má bhogaim den saol
Cuimhneoidh mé ar an am

Is tú a shábhál(ann) mé, is tú
