

The Coronas - Dreaming Again

I can feel a few things  
Brewing up in my mind  
And it's all consuming  
I've left what I once was behind

See I've had it so easy  
Or at least I misunderstood  
But kissing her made me greedy  
Now I want her much more than I should

Desire has disturbed my slumber  
And I forgot how it felt  
To want something so much that it hurts  
you  
You wouldn't dream to dream of anything  
else

Oh...

On the off chance it could be  
I let my ego be brave  
I said 'I think that you're lovely'  
I was never one for playing games anyway

Desire has disturbed my slumber  
And I forgot how it felt  
To want something so much that it hurts  
you  
You wouldn't dream to dream of anything  
else

Oh...

Desire has disturbed my slumber  
And I forgot how it felt  
To want someone so much that it hurts you  
You wouldn't dream to dream of anything  
else

Despite all my previous efforts  
I don't regret anything  
Cause if I spend all my time dreaming of  
her  
At least I am dreaming again

Oh...

At least I am dreaming again  
At least I am dreaming again

The Coronas - Ag Brionglóid Arís

Tá neart i mo chloigeann  
Atá do mo chur siar  
Tá'n chuimhne ag filleadh  
Ó gach rud ar fhág mé taobh thiar

Bhí sé éasca go maith `am  
Nó níor thuig mé go leor  
Ag éirí santach dá pógadh  
Tá sí uaim níos mó ná mar ba chóir

Tá'n dúil seo ag spreagadh mo chuimhne  
Agus gach (a) dtéann leis  
Ag glacadh le pian (ag) dul sa tóir air  
Níl spás d'aon bhrionglóid sa bhreis

Ó...

Cé gur caolseans atá ann  
Tá muinín 'am inniu  
Dúirt mé: "Tá tú go hálainn"  
Mar ní maith liom (a) bheith (ag) cur am'  
amú

Tá'n dúil seo ag spreagadh mo chuimhne  
Agus gach (a) dtéann leis  
Ag glacadh le pian (ag) dul sa tóir air  
Níl spás d'aon bhrionglóid sa bhreis

Ó...

Tá'n dúil seo ag spreagadh mo chuimhne  
Agus gach (a) dtéann leis  
Ag glacadh le pian (ag) dul sa tóir air  
Níl spás d'aon bhrionglóid sa bhreis

In ainneoin gach iarracht a dheineas  
Níl aiféal' orm faoi  
Mar má chaithim m'am ag smaoineamh  
uirthi  
Ar a laghad táim (ag) brionglóid arís

Ó...

Ar a laghad táim (ag) brionglóid arís  
Ar a laghad táim (ag) brionglóid arís
