

THE SPIKES - She'll Be Screaming

Say you know where people go,
They trip into your dreams
They remember when they were,
Your favourite dancing queen
Taking over the light-show
Their hair was all a blur

And if you're dying
She'll be screaming out your name
And if you're bleeding
She'll be washing way the pain,the pain,the pain

Separations come and go
They flip out of your heart
Suddenly it's clear they know
Just when they are to part
Caught up in their own light-show
Their hair was all a blur

And if you're dying
She'll be screaming out your name
And if you're bleeding
She'll be washing away the pain
She'll be screaming out loud x 5
She'll be screaming out your name
What's your name x 2

Ready let's go, yeah they're coming for me
Can you see the bright light and your family
She grabbed you by the hand at the edge of the
bath
Screamed your name out, please come back x 2

Beidh Sí Ag Screadach

Tuigeann tú cá dtéann na slu(aite)
Ar cuairt ort sna haisling(í)
Is cuimhin leo go maith a bheith
Ina ndamhsóir na mbanríon(a)
Iad ag glacadh seó shoilsi(gh)
'S na cuimhní imi(the) fuar

'S ar leaba an bháis
Beidh d'ainm á scread(ach) go hard
'S an phian ag fás
Beidh sí á glanadh lena glór

Tá na scarúintí fánach, saor
Ag léim amach as an gcroí
Ach go tobann 'sé soiléir
Go bhfuil scarúint ar an tslí
Iad ag sciobadh seó shoilsi(gh)
'S na cuimhní imi(the) fuar

'S ar leaba an bháis
Beidh d'ainm á scread go hard
'S an phian ag fás
Beidh sí á glanadh lena glór
Beidh sí ag scread(ach) go hard x 5
Beidh sí ag scread(ach) amach go hard
D'ainm á screadach x 2

Réidh seo linn, ní fad(a) go mbeidh siad ann
An bhfeiceann tú na soilse 's 'nois do chlann
Rug sí ort san fholcadh 's í ina suí taobh leat

Scread d'ainm go hard, giolla ar ais x 2
